**Please be sure to inform the nominated household of the judging dates and rules below.*

When is the deadline?

- * The Park and Recreation Department must receive all entries and nominations by the Friday before Christmas Day (December 17) of that year to be entered into the contest.

When is the judging?

- * The judging will be done the following week on the Monday and Tuesday (December 20,21) unless Christmas Eve and Day would fall on either of those two days. If so judging would be moved back to Wednesday and Thursday of that week.
- * Judging will start at 6:00 p.m. Please have your lights turned on and your house number lit or your front light on. This helps make it easier for the judging process.

What do I win?

- * The Business Winner will receive a plaque and recognition in the Oconto Reporter.
- * The Home Winner will receive an Ageson Pool family membership pass and recognition in the Oconto Reporter.
- * Please note, there will be only one winner selected in each of the two categories.

Happy Holidays and Good Luck!!!!
