

Oconto Memorial Tree Program

The Oconto Memorial Tree Program is the perfect way to remember a loved one, honor someone special or commemorate an important occasion.

Along with a tree being planted, a leaf will be added to the "Memorial Tree" Located inside City Hall. The color leaf will indicate which location the tree is planted and who or what is being memorialized or honored.

Thank You

The Oconto Urban Forestry committee would like to thank all those involved in this project, especially the Oconto High School Technical Education Department and the Art Club for creating the Memorial Tree.
