

Aageson Pool

Pool Closing Policy

Aageson Pool will close under the following circumstances:

- Air temperature of 66 degrees or lower.
- Severe weather conditions.
- 10 patrons or less in one hour.
- Maintenance issues.

NOTE: If your child is swimming and you are picking him/her up, please have them wait for a ride on the sidewalk area of the pool. This way our staff will be able to see anyone who has not yet been picked up and wait with them until their ride arrives.
